Worthy Grand Knights and Brothers all:

As in years past, Grand Knights Day is a time for the leaders of the State Council and those of the local Councils to come together to reflect on our past achievements and our future needs. On this day the leadership of the Knights of Columbus of Louisiana will receive and outline describing the direction we will need to take in the remaining five months of this fraternal year.

Beginning at 10:30am until noon, we will be serving gumbo prepared by award winning cooks from across our great state. Lunch tickets will be available for \$5.00 per lunch and can be purchased in the registration area. Profits from the sales will go toward our Youth Expansion Program fundraiser.

This year's agenda will include membership recruitment and program presentations. Resolution preparation and Credentials procedures will be covered regarding the State Council Meeting scheduled for May 4-6, 2012 in Baton Rouge, Louisiana. We will also have an update on the status of first and second half Per-Capita tax collection and Exemplification Fund billings. I would also ask that you bring your "Form 1728 - Fraternal Survey" to GK Day, and if you do not plan to attend, please forward your form to your respective District Deputy, so he may bring it.

There will be an update in the status of the Mentally Challenged Fund Drive and we will close the day's activities with the drawing of the Seminarian Raffle. Your council still has time to sell/purchase tickets for this raffle.

There will also be the parade of Councils making their donations to the Youth Expansion Program, so I encourage each and every Grand Knight to bring his council check for the presentation.

I ask that we recommit to "UNITED WE STAND." I look forward to seeing each of you my Brother Knights on Sunday, January 29, 2012, at Teurlings Catholic High School.

Vivat Jesus,

Ronnie L. Boudreaux
State Deputy
