GUIDELINES FOR PATRIOTIC ESSAY CONTEST

Essay information should be given to the schools by the **Assembly Patriotic Chairman**. This should be done, as early as possible, at the beginning of the school year. Experience has shown that contact with the teacher, at the beginning of the school year, will allow the project to be placed on the classroom agenda. It is best if you can have a one on one contact with the teachers. A follow up letter should be sent in early September to jog the memory of the teacher.

Also, if you have the ability to track down Home Schooled seventh and eighth graders, then do so. This is one area we have neglected and we should consider their essays, if they choose to participate. The same criteria apply to them as well.

All essays should be in the hands of the **Assembly Patriotic Chairman** by **December 13, 2013**. The essays should be judged prior to **January 10, 2014**. Using the **Assembly Level Winner Form**, the winning essay should be forwarded to the **Diocesan Coordinator** no later than **February 07, 2014**. **Do not send the Assembly winner to the District Patriotic Chairman.**

Using the **Diocesan Level Winner Form**, the winning essay from each Diocese should be forwarded to the **District Patriotic Chairman** no later than **March 07, 2014**. The **District Patriotic Chairman** will have the Diocesan level winning essays judged by **March 25, 2014**. He will then forward the District Essay Contest winner's essay to the **Master**.

The **Worthy Master** will send a letter and check to each **Diocesan Coordinator** for presentation to the Diocesan winner at an appropriate function. The District winner will receive a letter and check at an Exemplification Banquet. All presentations should be completed by **May 15, 2014** at which time the program will end.

The provided Patriotic Essay Entry Form needs to be completed and attached to each essay. The deadline to turn the completed essays back to the Assembly Patriotic Chairman will be December 13, 2013. Essay winners will receive monetary awards. The Assembly winner will receive \$_____. The Diocesan winner will be presented a check for **\$200.00** and the District winner will receive a check for **\$500.00**. We would like to take this opportunity to thank you in advance for any and all help you can give the Knights of Columbus and especially our Assembly in promoting this contest.

Very Respectfully,

ASSEMBLY LETTERHEAD

Dear Mr. /Ms. _____

The District of Louisiana, Fourth Degree Knights of Columbus invites your class to participate in our annual Patriotic Essay Contest. This contest is open to **all** 7th and 8th grade students in the state. We know that most schools are inundated with requests such as this; however, our intention is to provoke some positive thinking on the part of your students about **patriotism** and what it means to them. We realize that until recently the subject of **patriotism** has not been overly discussed or promoted with our youth. We firmly believe that **patriotism** should be brought to the attention of the students as often as possible. We strive to stimulate their minds so they will be **patriotically** orientated and to think of all the good things we have in this great country.

This year's theme is **"Does Patriotism still matter?"** The double-spaced essay can be either typed or legibly written. It must contain no fewer than **500 words** or more than **750 words**. The provided Patriotic Essay Entry Form needs to be completed and attached to each essay. The **deadline** to turn the completed essays back to the Assembly Patriotic Chairman will be **December 13, 2013**. To insure no partiality in judging, there shall be no mention of any of this information anywhere else in the essay. On receipt of these essays, the cover sheet shall be removed and the essay will be assigned a number. This number will be recorded and will remain with the essay until the final judging.

Grading will be based on a **100 point system** and will be broken down as follow:
Narrative's strict adherence to subject matter (50 points) / Grammar/style (30 points)
[How well is the narrative written? Attention to structuring of sentences and paragraphs, originality, creativity and imagination] / **Overall (20 points)** [Is the narrative consistent with the writers age, education and observed ability, in short, "is this his/her own product?"]

To try and stimulate participation in this program, winners will receive monetary awards for their efforts. The **Assembly winner** will receive \$ _____. The **Diocesan winner** will be presented a check for **\$200.00** and the **District winner** will receive a check for **\$500.00**.

The **Assembly winner** will be selected by **January 10, 2014**, the **Diocesan winner** by **February 07, 2014** and the **District winner** by **March 07, 2014**. Essay winners, their teachers and school will be notified shortly after their selection so that arrangements can be made for the presentation at an appropriate function.

We hope that you will encourage your students to participate in this essay contest. We ask that you give this information to the class at such a time that the essay can be written within the time period. Arrangements will be made for picking up the completed essays. If you have any questions or need further information, please contact me at _____.

Very Respectfully,

Assembly Patriotic Chairman

ESSAY CONTEST PURPOSE, RULES, JUDGING & PRESENTATION OF AWARDS

THEME FOR 2013 -2014

“Does Patriotism still matter?”

PURPOSE:

The youth of today have not been subjected for the most part to a patriotic lifestyle. Either their parents are young enough to have not been in the wars that have taken place and therefore have not had the burning spot in their heart for the promotion of patriotism or the schools have become so socialized that patriotism is not an issue.

However, we have learned that with a bit of prodding of their mind while in their formative years, we can light a fire quite easily. Most youth are looking for a mentor, whether a parent, an athlete or whomever. We, the Fourth Degree Knights of Columbus recommend a study of the history of this great country and the heroes that we have.

With this in mind, we are attempting to provoke these youth, namely 7th and 8th graders, in our state into thinking and learning about our heritage. To accomplish this mission we have devised an essay contest whereby students can learn while they earn.

This program is both challenging and thought provoking and we strongly urge that the program be presented in such a manner as to get the students to write their narrative without the use of copy from an encyclopedia or other reference books.

RULES:

1. All public, private, and parochial schools, as well as home schooled students, in the state are eligible.
2. Contest is open to **all 7th and 8th** students.
3. Principals, teachers and or guidance counselors should be contacted as soon as possible to get program initiated within the school year, so the teachers can include the contest in their lesson plans.
4. Criteria for the essay:
 - The double-spaced essay can be either typed or legibly written.
 - Essay must be neatly done to show the author's pride in their work.
 - It must contain no fewer than **500 words** or more than **750 words**.
 - The provided Patriotic Essay Entry Form needs to be completed and attached to each essay.
5. **Time frames are given in “Guidelines for Patriotic Essay Contest”.**
6. Awards:
 - Assembly determines the monetary amount for the Assembly winner.
 - Diocesan winner will be awarded **\$200.00**.
 - District winner will be awarded **\$500.00**.
7. Report forms are enclosed and ***must*** be adhered to.

JUDGING:

1. Assembly Level:

- Assembly members together with any educators or clergy who are available should do the judging. At least five members are recommended.
- The provided Essay Report Form (Assembly Level Winner) **must** be used to transmit the winner's essay to the Diocesan Coordinator.(Program Page 9)
- On receipt of these essays, the cover sheet shall be removed and the essay will be assigned a number. This number will be recorded and will remain with the essay until the final judging.
- Grading will be based on a **100 point system** and will be broken down as follow: **Narrative's strict adherence to subject matter (50 points) / Grammar/style (30 points)**[How well is the narrative written? Attention to structuring of sentences and paragraphs, originality, creativity and imagination] / **Overall (20 points)**[Is the narrative consistent with the writers age, education and observed ability, in short, " is this his/her own product?"]

2. Diocesan Level:

- It is recommended the essays be judged by at least two professionals such as teachers and members of the clergy as well as three sir Knights.
- The provided Essay Report Form (Diocesan Level Winner) **must** be used to transmit the winner's essay to the District Patriotic Chairman. (Program Page 10)
- In essence the District Coordinator should receive only eight essays to judge.

3. District Level:

- The District Patriotic Chairman **will not** be a judge at this level.
- The judges shall consist of former Masters, members of the clergy and educators. There will be no less than five judges at this level.
- As soon as the winner is determined, the District Chairman will submit the names of the seven diocesan winners as well as the name of the district winner to the Master.
- All pertinent information will be forwarded with this list.

PRESENTATION OF AWARDS:

1. Assembly:

- Each Assembly should attempt to reward and recognize the winner with either a cash award and a plaque or certificate.
- It is strongly recommended that the presentation be done at the school because of the publicity it will generate. If the winner is home schooled then the presentation at your Assembly Banquet might be more appropriate.
- Publicity is of the utmost importance, as it will aid in promoting the contest.

2. Diocesan:

- The Diocesan Coordinator should be the presenter of the award.
- The award should be given either at an Assembly Banquet or school function.

3. District:

- The Master will present the award at an Exemplification Banquet where the significance of the award can have the most impact, especially on the new Fourth Degree Members.

TIPS FOR MEDALLION AND PLAQUE AWARDS

PROCURING THE SCHOOL'S HELP TO HONOR THE STUDENT

HIGH SCHOOL

1. Guidance counselors should be contacted no later than December 1st.
2. Information on the program should be made by face-to-face conversation and never by phone. A phone call should be made in advance to set up an appointment with the guidance counselor. You should not go to the school unannounced as this may lessen the chance of the school being receptive to the medallion award program.
3. Professors of Military Science are people who are as a norm subjected to rigid training in military etiquette and an unannounced visit will turn them away before you start.
4. Chairman should be well versed on the medallion/plaque award program and the reasons for wanting to present them. He should be able to tell the person visited about the program and subsequent presentation in as short a time as possible.
5. Chairman should make sure that the person he talks to is the one who will complete the form and get it back in a timely manner. It is suggested that the chairman contact this person a week or two before the February 1st deadline to remind him of the award.

COLLEGE LEVEL

1. Professor of Military Science should be contacted no later than December 1st about the program. Most colleges and universities are aware of the program and await its arrival.
2. Since we have changed the procedure by using an application for the award, it will be the Chairman's responsibility to contact the PMS and apprise him/her of the change and ask that the form be used in lieu of the normal letter that has been used in the past.
3. For new colleges and universities there should be a good promotion made by the chairman so that the PMS realizes we are presenting a very prestigious award.
4. PMS change nearly every year and it is advised that a phone call be made early to get an appointment.

PRESENTATIONS

The recommended procedure for presentation is for the presenter to be accompanied by one or more Sir Knights dressed in full regalia. A prepared presentation should be used commemorating the award and the activities by which the recipient was selected. This information can be obtained from the application for the award. Presentation should be as short as possible. Presenter should ask the emcee or the instructor for the amount of allotted time. During presentation of the college level and high school level ROTC award, after presenting the award the presenter should step back and salute the recipient. The presenter should always indicate that the award is coming from the Knights of Columbus and why. The high school senior minted medallion should be presented at an awards night. Again all those in attendance should be made aware of the fact that the Knights of Columbus is presenting this award and why it is being presented.

Knights of Columbus

District of Louisiana Fourth Degree
