Life Insurance Calculator

Life insurance is probably something you don't often think about, but no financial plan is complete without it. And if you haven't yet put a plan in place, life insurance is a great place to start.

To help you determine how much life insurance is appropriate for you and your family, we've developed this easy-to-use life insurance calculator. By providing some basic information on your family's resources, debt and expenses, current life insurance coverage and future income needs, the calculator will give you an estimate of the amount of needed life insurance

coverage.

Disability Income

What if your last paycheck was your last paycheck?

Statistics tell us that 10% of North Americans between ages 18 and 64 have a disability and that there is a 33% chance of a person entering the work force today being disabled before they retire. As people earn more, the financial risk posed by a disability becomes more significant. Unfortunately, very few people have insured this risk. Seventy percent of employees in the private sector are not covered by any type of long-term disability insurance. Ask yourself: "What is my largest asset?" Most people will say it's their home. But, the fact is that, it's usually their ability to earn a paycheck. Without this, all other assets are in jeopardy. If you lose your ability to work, what would you do?

Income Armor[®] from the Knights of Columbus can pick up where your paycheck leaves off.

Our Income Armor[®] product is offered to members and their wives ages 18-61 (subject to underwriting requirements). Coverage cannot be cancelled as long as you pay your premiums when they are due. Premiums are not guaranteed and increases are possible, but only on a class basis.

Your base policy premium provides a comprehensive list of benefits, including:

For Total Disability

For Partial Disability

Waiver of Premium

Organ Donor

Rehabilitation & Retraining

Recruiting new members is essential to the continued growth and well-being of your council and the Order. Offering a man membership in the Knights of Columbus gives him the opportunity to improve his own life and his community. Membership allows him to experience the fraternal bond that Knights share while growing closer to his family and faith.

Utilize this section of our Web site when organizing and implementing successful membership recruitment and membership retention programs in your council.
