Grand Knight's Message

I am Knight; I am Unity, Fraternity and Patriotism

As I write this reader, I am torn in two directions; I am grateful to God that my family and I came through the storm without any major loss. I am saddened by the news that others have had their homes flooded, again. Our Worthy DGK Cisco Gonzales had his home flooded up to the 2nd floor. Our hopes and prayers go out to him and his family during this time of trial. We also need to keep all the families that lost property and lives during this storm in our prayers.

On the positive side, a team of volunteers has come down to help by cooking meals for those in need. They are set up at St. Bernard Church on Bayou Rd. and will cook there. The meals will be served from the Church's grounds and down the road at Toga. Please pass the word along. Also, there is a clothing drop-off and distribution center at Lynn School gym. Please let anyone you know who needs clothing to go there. If you have clothes, toys, car seats and jackets that you can donate, please bring them to Lynn Oaks School. We should all pause and thank God for all his blessings. Remember, all good things around us are gifts for our God.

Congratulations to the following awardees for August: **Knight of the Month** - Giovanni Miserendino; **Family of the Month** Francisco and Claire Hernandez.

Remember to Pray for Vocations and for the Beatification of Fr. Michael McGivney

At the PGK Social on Sept 23rd we will have a guest speaker who will speak on Pro-Life and the implications of the new health bill and know the answers to common questions in our minds: Is the rationing of our health care

in the future or present? Is the assisted suicide movement gaining traction in the US? Is Louisiana vulnerable to the expansion of these attacks on the ill and disabled? Are you educated on advance directives and the “Will to Live” document? Our speaker for this forum is the Director of the Center for Medical Ethics, Ryan Verret.

Note from GK: Please plan to attend and be prepared to hear Ryan’s address to us. It will help us to understand how much we **WILL** affected by this new and mysterious health care “reform.”
