## DEPUTY GRAND KNIGHT'S MESSAGE

Brothers and Ladies,

Planning has begun for the 2014 Louisiana Crawfish Festival. We are currently negotiating with St. Bernard Parish Government officials on a lease agreement for the festival grounds. The cost of the lease has gone up considerably from previous years. The parish has asked if we would consider fencing the festival grounds. We are looking into this option as an added security measure and also to help prevent guest from bringing ice chests, liquor or food items onto festival grounds. In addition, we will also charge a small entrance fee to help raise revenue. We are currently negotiating with several bands and plan to have contracts done by the end of the month. If you have any suggestions on how to improve the 2014 Festival please email me [russellserpas@cox.net](mailto:russellserpas@cox.net).

## LOUISIANA CRAWFISH QUEENS

Carley and Courtney have been traveling non-stop. Most recently they were part of the Ballpark Beauties featured at a New Orleans Zephyrs game. I have also received super positive feedback from other festivals. Our queens are setting the standard for others.
