## **Auxiliary News - Fran Bourgeois, President**

Thank You, Thank You, Thank You. I cannot say that enough to our Auxiliary members and Knights that helped with the "Relay for Life." We worked hard all year long to prepare for the Relay, and we earned more than \$5000 dollars for the Cancer Society. We especially thank the Knights for their donation, and the members who got donations for us. The weather was perfect and we all had a good time. Once again we showed the community what Rummel working as a team can do.

Our next meeting is on Saturday, May 10th at 10:30 a.m. This meeting is the election of officers. It is not too late to run for an office. We will also crown the Blessed Mother as we do every May. Please bring flowers for the Crowning.

**Program Director: FRED BILLIOT:** We are winding down a very successful year and still going and going and going. The Relay for Life went well and now we are just in time for Graduation with the Scholarship Program & Project Graduation. The Queens Pageant and Parade Ride, Crawfish Workers Party, Cyla went well and the KofC Louisiana State Convention is this weekend. Isn't it amazing how many programs we've conquered successfully this year. Only one explanation is necessary.
